The World's Best Practice

Beyond 2010 Seminar Series™

"I'm too busy!"

"I don't want to work harder, just smarter"

"It will never work"

Dr. Joe Przybylko (GP) Windsor Village Medical Centre "Generally Excellent" Nov 2010
Diane Collins (Practice Manager) Ingle Farm Family Practice "Excellent Presentation" Nov 2010

If you're not too busy to read this and attend this Seminar then you're on the road to success. Turn your dream into reality.

From good to great! Only 4% have been able to achieve this, and it's free!

Eighty years of international research into the secrets of organisations that excel will show you how.

The world's most successful practices are world class thinkers, they're fast moving, and have advanced processes and systems in place. To become one of them, ask yourself

What do I do? How do I do it? Why do I do it?

This Seminar will include:

- Practice and board culture
- Commercial and clinical governance
- Leadership and management
- Your personal/practice business lifecycle
- Eat well and sleep well strategies
- Business models - earn while you sleep not eat what you kill
- Don't throw good \$\$\$ after bad
- Succession planning - having 'skin' in the game
- Time management using real-time calendar
- Processes
- Dash board reporting - the balanced scorecard
- The wheelies, the wedgies, and much more!

You will walk away from this seminar with ready to use simple, practical tools to resolve inefficiencies and maximize your service delivery and profitability, **with less stress!**

We use state of the art interactive SmartBoard / live web broadcasts so you and your friends can access these seminars from the comfort of your home, office, or practice computer, or attend face to face presentations!
